

Leu Winter 2025 Homeschool Enrichment

Class Name	Instructor Name	Class Description	Classroom	Age Range	Day and Time	Class Cost
Little Leu Crew: Little Learners	Meg Meister	Join our Little Leu Crew for some play-based fun! Littles will be encouraged to learn through play-based activities. Centers will vary weekly and will be designed around a weekly theme.	Early Childhood Room	3-6	Tuesday 11:00-11:50	\$35 (\$25+\$10 supply fee)
Harry Potter Cooking	Christian R Tolbert	In this magical class, students will be able to recreate some iconic dishes from the Harry Potter stories.	Kitchen	8-12	Tuesday 11:00-12:00	\$50 (\$25+\$25 supply fee)
Escape Room Challenge	Amanda Mueller	In this class students will be presented with an escape room. They will then have an hour to solve the puzzles, work in teams, and attempt to escape the situation. If you were part of the escape room class in the fall, this class will contain all new escape rooms.	Library	9-13	Tuesday 12:00-1:00	\$35
Global Adventures	Carole Smith	Get ready for a global adventure! Learn about different cultures, try new foods, discover fascinating plants & animals from countries around the world.	Reading Center	6-12	Tuesday 12:00-1:00	\$30
Pioneers and the Oregon Trail	Christian Tolbert	Students will learn the history of the Pioneers and the Oregon Trail through interactive experiences and games.	Game room	6-12	Tuesday 12:00-1:00	\$30 (\$25+\$5 supply fee)
Little Leu Crew: Social Butterflies	Meg Meister	Come hang out in the early education room and make some friends! Cook a meal in our state-of-the-art play kitchen, build and crash towers, read books or get creative and make your own fun! This will be an hour of free play.	Early Childhood Room	2-7	Tuesday 12:00-12:50	\$20
Building Buddies	Meg Meister	Come design your own unique creation or step up to our weekly challenge! Each session is a chance to explore, problem-solve & build amazing structures with Legos, Duplos, Blocks & more. Perfect for builders of all skill levels. Supplies provided but bring your imagination!	Art Studio	5-10	Tuesday 1:00-1:50	\$20
Escape Room Building	Amanda Mueller	This class will focus on creating our own escape rooms. Working in groups students will create the situation, puzzles, and conclusion for an escape room. We will then have the opportunity to test out these escape rooms.	Library	9-13	Tuesday 1:00-2:00	\$30
Caring for Your Pets	Carole Smith	Perfect for animal lovers. Students will learn to care for cats, dogs, hamsters, and turtles.	Reading Center	6-12	Tuesday 2:00-3:00	\$25

Class Name	Instructor Name	Class Description	Classroom	Age Range	Day and Time	Class Cost
Leu Reading Center	Carole Smith	The Leu has partnered with the Reading Success Center to bring programs including MindPlay to assist students struggling readers. The program is intended to assist students who have some reading skills but are struggling. At this time the program is not an instructional program for students who have not begun to read.	Reading Center	6-11	Tuesday and Thursday 3:00-4:00 and 4:00-5:00	\$15
Hearts & Crafts	Meg Meister & Rachel Covert	This dynamic one-hour class is designed for littles to enjoy both physical activity and creative crafting. Half of the class is dedicated to 30 minutes of physically engaging games (PE) and the other half is focused on hands-on arts & crafts. Children will rotate between the two activities so they get to enjoy the perfect balance of movement and imagination!	Auditorium/ Art Studio	5-9	Wednesday 11:00-12:00	\$35 (\$25+\$10 supply fee)
Chess	Christian Tolbert	Students will learn about basic chess moves, openings, and strategies, and play against their friends.	Library	6-12	Wednesday 11:00-12:00	\$20
Build Your Own World	Christian Tolbert	Students will have the chance to create their own landscapes, civilizations, characters and more while building their very own fictional world.	Library	8-14	Wednesday 12:00-1:00	\$25
Littles Cooking	Katie Curnane and Reagan Hightower	Come enjoy creating delicious recipes! Students will learn some of the basics of cooking and baking	Kitchen	4-6	Wednesday 12:00-1:30	\$30 (\$20+\$10 supply fee)
Move Your Body	Rachel Covert	A PE style class for kids to have fun while being active. We will play some classic and newer PE games, while also incorporating fitness activities. The kids will learn teamwork and the importance of moving our bodies while having fun and making new friends!	Gymnasium	9-16	Wednesday 12:00-1:00	\$25
Painting with Origami	Anna Duke	Students will learn how to make many different origamis. They will then use the origamis on a painted canvas to make a beautiful piece of art.	Art Studio	10 -13	Wednesday 1:00-2:00	\$30 (\$20 +\$10 supply fee)
Games With Friends	Meg Meister	In this fun and interactive class, kids will have the chance to play board games, card games, and work on puzzles while socializing with friends! It's a great opportunity to develop problem-solving skills, teamwork, and friendly competition in a relaxed, enjoyable environment. Whether they're making new friends or challenging their peers, this class is all about fun, learning, and social connection!	Library	5-10	Wednesday 1:00-2:00	\$25

Class Name	Instructor Name	Class Description	Classroom	Age Range	Day and Time	Class Cost
Intro to Pen & Ink	Sally Farrington	This class will introduce dip pen drawing to students including line value techniques such as hatching, cross hatching, stippling, scumbling and cross contour lines. We'll also look at pen and ink drawing examples from Art History and Contemporary Art. Students will receive a dip pen and ink to keep after the completion of the class	Art Studio	12-18	Wednesday 2:00-3:00	\$40 (\$25+\$15 supply fee)
Cooking Challenge	Katie Curnane and Reagan Hightower	Come see if you have what it takes to create a delicious dish with just a few ingredients provided.	Kitchen	7-14	Wednesday 2:00-3:30	\$30 (\$20+\$10 supply fee)
Leu News Crew	Christian Tolbert	Students will learn the basics of writing and producing a newspaper, and publish their own Leu Civic Center paper.	Library	8-12	Wednesday 3:00-4:00	\$25
Art Club	Sally Farrington	Student led art club, with adult advisor. Meetings will include exposure to different mediums, service projects at the Leu and in the community, and guest speakers. Students will also have the opportunity to work on personal art projects. May have meeting dates outside of session	Art Studio	12-18	Wednesday 3:30-5:00	\$25
Pokemon club	Christian Tolbert	A class for all Pokemon lovers! Students can play with Pokemon cards, play their favorite Pokemon games, discuss their favorite Pokemon with friends, and more!	Library	8-15	Wednesday 4:00-5:00	\$25
Minecraft	Christian Tolbert	An hour to play Minecraft, make friends, and be creative, in a popular open world game.	Library	6-12	Wednesday 5:00-6:00pm	\$25

Little Leu Crew: Loose Parts	Meg Meister	This thirty minute block is dedicated to loose parts play. Children will use various materials, objects and their imagination to create, explore new ideas and use their problem-solving skills. A weekly challenge will be offered but children will be able to play at their free will. This will foster interesting actions and discoveries. ** This class has small objects and is not recommended for children who put objects in their mouths. **	Early Childhood Room	3-6	Thursday 11:00-11:30	\$15 (\$12+\$3 supply fee)
Storytelling	Christian Tolbert	Students will learn the basics of storytelling such as world building, character development, outlining, and more, and have the opportunity to write their own stories.	Library	8-14	Thursday 11:00-12:00	\$25

Class Name	Instructor Name	Class Description	Classroom	Age Range	Day and Time	Class Cost
Little Leu Crew: Music & Movement	Meg Meister	This thirty minute block will be used to explore music through movement. Littles will get to learn new songs, dance to lively tunes and play some musical games. Through rhythm, movement and play, kids will develop coordination, motor skills, and a love for music!	Early Childhood Room	3-6	Thursday 11:30-12:00	\$12
Kitchen Chemistry 2.0	Amanda Mueller	In this second installation of kitchen chemistry we will be exploring all new scientific principles with new kitchen experiments. Students do not need to have participated in the previous classes and do not need any previous science experience.	Kitchen	9-15	Thursday 11:30-12:30	\$40
Little Leu Crew: Social Butterflies	Meg Meister	Come hang out in the early education room and make some friends! Cook a meal in our state-of-the-art play kitchen, build and crash towers, read books or get creative and make your own fun! This will be an hour of free play.	Early Childhood Room	2-7	Thursday 12:00-12:50	\$20
Tangle Art & Drawing Games	Sally Farrington	This fun class will include basic drawing skills along with an introduction to Zentangle. Zentangle is a method of creating artwork by drawing simple tangles, or patterns, one line at a time. We'll be drawing, exploring creativity and playing some fun drawing games along the way.	Art Studio	6-10	Thursday 12:00-1:00	\$30 (\$25+\$5 supply fee)
Rookie Cookies	Meg Meister	In this delicious class, kids will bake a different kind of cookie each week! From mixing ingredients to decorating their treats, they'll learn baking skills and have fun creating tasty, homemade cookies to enjoy and share. Perfect for young bakers with a sweet tooth! * Please note, due to the nature of this class, we are unable to make exceptions for food allergies. We encourage parents to review ingredients in advance and decide what is best for their child. Recipes provided upon request*	Kitchen	7-12	Thursday 1:00-1:50	\$45 (\$30+\$15 supply fee)
Story Time Science	Amanda Mueller	In this class we will be reading a variety of stories aloud. We will then be experimenting with different scientific principles related to the story. This class will enable students to explore the connection between reading and science.	Library	6-10	Thursday 1:00-2:00	\$40

Class Name	Instructor Name	Class Description	Classroom	Age Range	Day and Time	Class Cost
All About Book Awards-Mock Award Kid Committee	Jodie Rodriguez	Calling all young book lovers! Join our mock award committee. Young committee members will listen to and discuss some of the past award winners and some 2024 picture books that are eligible for this year's awards. We will explore the Caldecott Award, Mathical Award, State Awards, and more. Each week, Jodie will read aloud a selection of books followed by a group discussion. We will then vote on our favorites. During the session, we will learn about how the awards are chosen and which books qualify.	Art Studio	6-12	Thursday 1:00-2:00	\$20
Pop Art!	Sally Farrington	Let's learn about Pop Art! Pop art is known for its use of imagery from popular culture, such as movies, advertising, and everyday objects, and for its bold colors and everyday subject matter. Students will learn about various artists and complete multiple pop art styled projects.	Art Studio	10 & up	Thursday 2:00-3:00	\$35 (\$25+\$10 supply fee)
Catapult Building	Amanda Mueller	In this STEM class we will be learning about the physical science involved in creating and launching a catapult. Every week we will be building different types of launcher using a variety of supplies.	Library	8-12	Thursday 2:00-3:00	\$25
The Physics of Paper Airplanes	Carole Smith	Learn about the forces that enable flight while creating a variety of paper airplanes to test for flight.	Reading Center	6-12	Thursday 2:00-3:00	\$30
Leu Reading Center	Carole Smith	The Leu has partnered with the Reading Success Center to bring programs including MindPlay to assist students struggling readers. The program is intended to assist students who have some reading skills but are struggling. At this time the program is not an instructional program for students who have not begun to read.	Reading Center	6-11	Tuesday and Thursday 3:00-4:00 and 4:00-5:00	\$15
Crazy Kid Concoction	Christian Tolbert	Students will learn about chemical reactions while creating new substances like paint, plastic, and playdough in this hands-on class.	Auditorium	6-12	Friday 12:00-1:00	\$30 (\$20+\$10 supply fee)
